

SELF-SERVICE COIN CENTERS

CoinStream[®] CDS 909

*A "Quiet" Purpose-Built
Affordable Necessity*

MAGNER[®]

Proven Performance and Quality

CoinStream[®] CDS 909
with optional sign holder

CoinStream® CDS 909

Full Sort Self-Service Coin Benefits

User-friendly Features

Simple Two Button Operation and Easy to Read Prompting Display

Automatic Coin Feed

Safely feeds coin, providing a more sanitary environment while reducing the chance of user injury

Alloy Count Sensor Technology

Accurately counts all six U.S. denominations and automatically rejects foreign coins and slugs back to user

“Quiet”

Noise-reducing materials throughout

Optimum Speed

Allowing proper time to cross sell products and services

Teller-friendly Features

Pull-Out Shelf

Easy teller access to the entire counting and sorting mechanism

Internal Keyboard

Gives tellers instant access for bag status, end-of-day reports and transaction history

Simple Receipt Roll Replacement

Continuous Cleaning Mechanisms

Remove sand and other small objects during counting process; Patented automatic debris ejection system removes non-coin debris to trash receptacle

Bag Management Section

Direct access to all bags through secure doors; coins feed directly into bags at floor level, minimizing lifting which allows for easy bag removal

Rear access for lobby integration also available

CDS 909 with optional sign holder
